

Issue: Could not sign in with valid email and password in sign in page

Reproducing Steps:

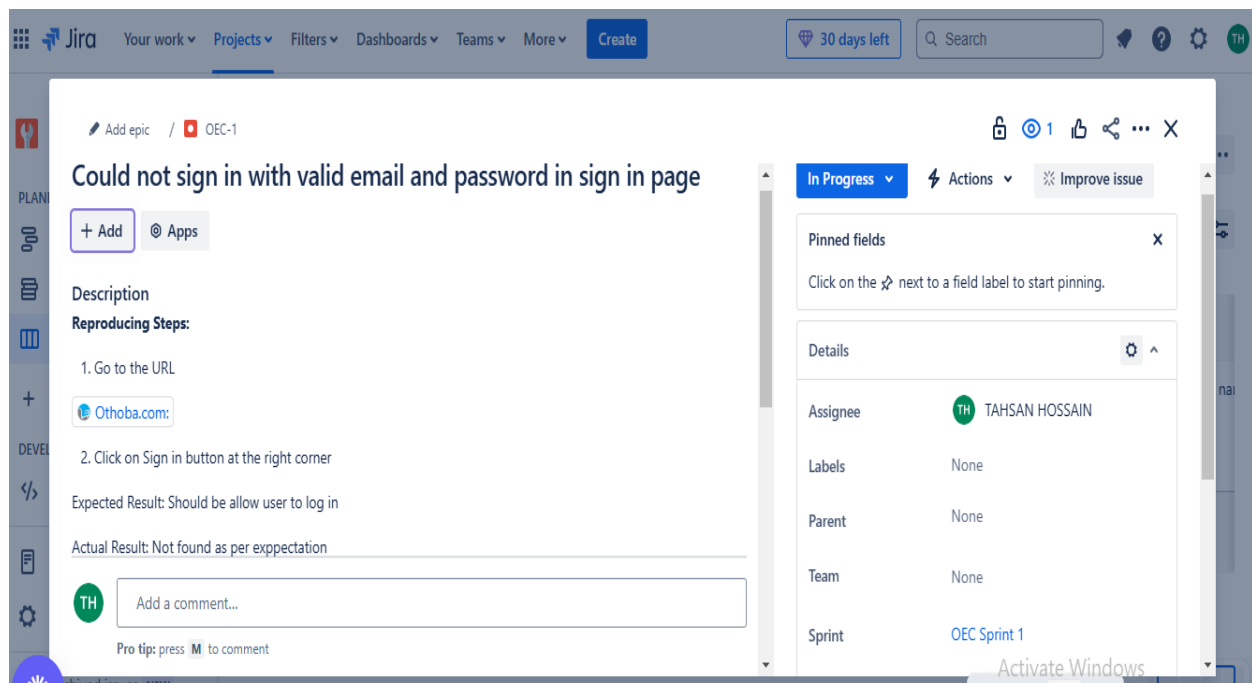

1. Go to the URL

<https://www.othoba.com/>

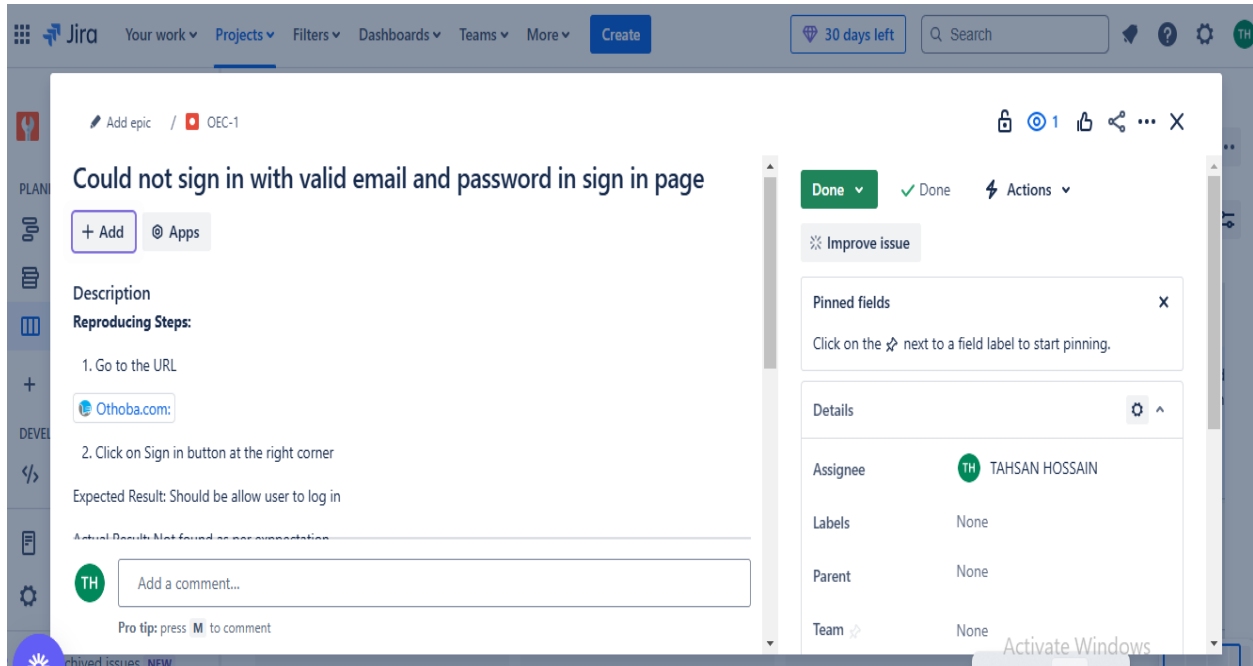

2. Click on Sign in button at the right corner

Jira bug report screenshot:

The work is assigned to the developer for solving the issue, and it is in in progress mode.

Developer completed the work and the work is done.

Issue: Asterisk sign missing in registration page

The screenshot shows a registration form with the following fields: First Name* (Tahsan), Last name* (Hossain), Date of birth: (Day, Month, Year), Password* (masked), and Confirm password* (masked). A red arrow points to the 'Date of birth:' label, with a red text annotation: 'Required astrick sign is missing here'. Below the date fields, there is a red text message: 'Date of birth is required'. The form also includes a 'Newsletter' checkbox (checked) and 'Sign In | Register' links at the top right.

Reproducing steps:

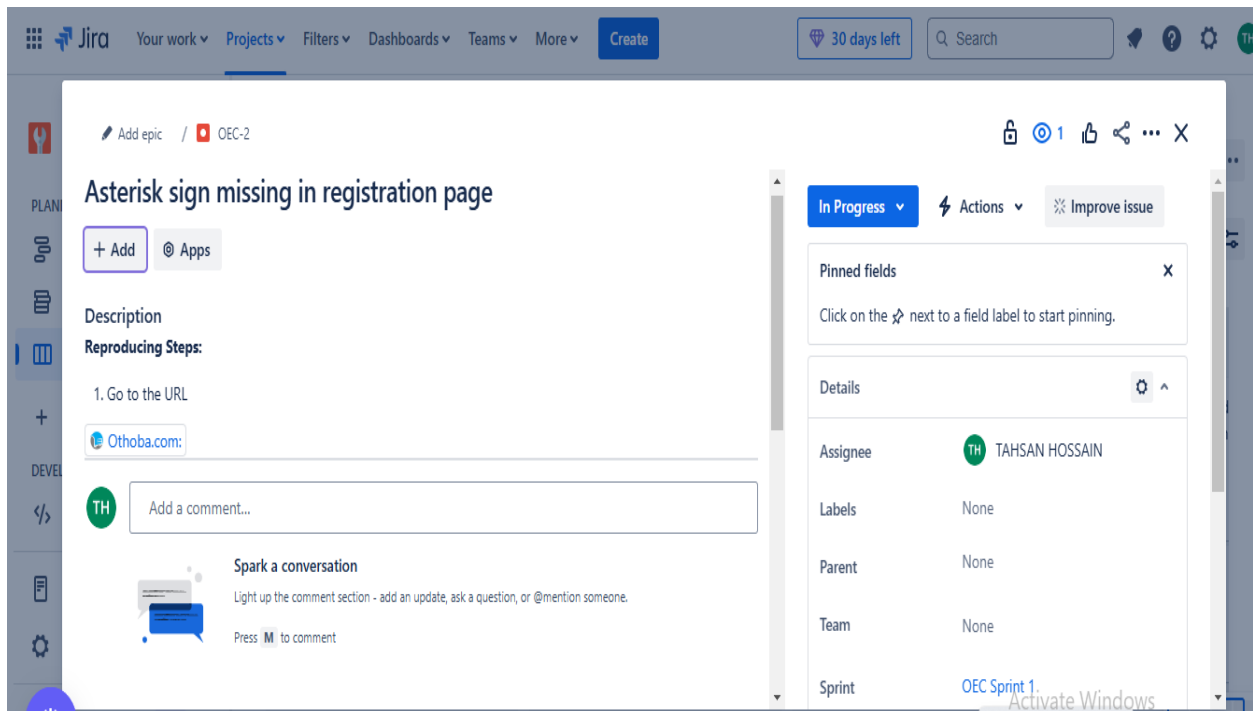

1. Go to the URL

<https://www.othoba.com/>

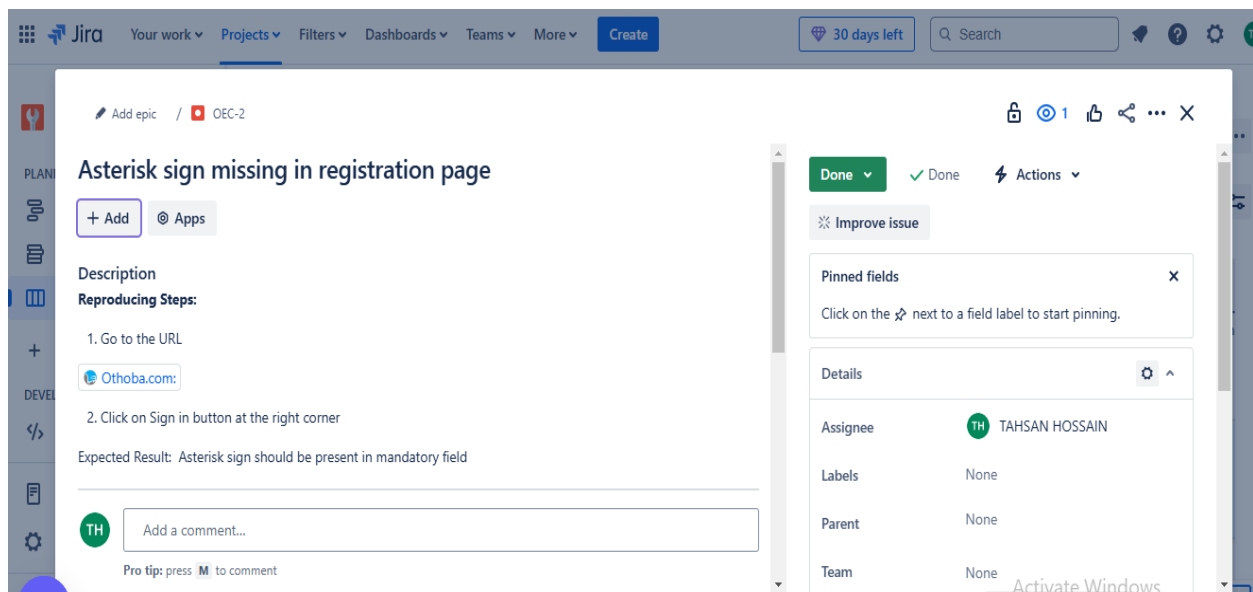

2. Click on Sign in button at the right corner
